

Tourist Attraction

Mamallapuram (also known as **Mahabalipuram**), is one of the famous tourist sites in India. It is 23 km drive from Muttukadu and is best known for the UNESCO World Heritage Site of 7th- and 8th-century Hindu Group of Monuments at Mahabalipuram. The ancient name of the place is Thirukadalmalai. The site is managed by the Archaeological Survey of India. Some important structures include: (a) Descent of the Ganges or Arjuna's Penance – a giant open-air rock relief. (b) Pancha Rathas (Five Chariots) – five monolithic pyramidal structures named after the Pandavas (Arjuna, Bhima, Yudhishtira, Nakula and Sahadeva) and Draupadi. Each of these is carved from one single separate large piece of stone. (c) Cave Temples – over ten rock-cut temples dating back to the 7th century. These include the Varaha, Adi Varaha, Krishna, Mahishasuramardini (Durga), Ramanuja, Dharmaraja, Koneri, Kotikal, Panchapandava and others. (d) The Shore Temple – a structural temple along the Bay of Bengal with the entrance from the western side away from the sea. Recent excavations have revealed new structures here. (e) Other structural temples including the Olakkanesvara temple and the lighthouse, along with rock-cut features such as the Draupadi's tank and Krishna's Butterball. (f) Thirukadalmalai, the temple dedicated to Lord Vishnu.

ISVM EXECUTIVE COMMITTEE

President : Dr. R. Ramprabhu
Vice-President : Dr. Gunjan Das
Vice-President : Dr. K. Vijaykumar
General Secretary : Dr. Rajiv V Gaikwad
Joint Secretary : Dr. C.S. Sharma
Treasurer : Dr. C. N. Galdhar

Regional Secretaries : Dr. Amit Raj Gupta
: Dr. Ajay Katoch
: Dr. K. Sessa SaiKrishna
: Dr. Bipin Kumar
: Dr. Nisha Patel
: Dr. J. B. Rajesh

Women Representative : Dr. Jyoti Dutta
Editor IJVM : Dr. G. Vijayakumar
Associate Editor : Dr. S. Kavitha
Assistant Editor : Dr. P. Thirunavukkarasu

Members : Dr. Akilesh Kumar
: Dr. Nitika Sharma
: Dr. Ravindra K Jadav
: Dr. Vivek Joshi

Immediate Past President : Dr. D. S. Nauriyal

First Announcement cum Invitation

42ND ANNUAL CONVENTION OF INDIAN SOCIETY FOR VETERINARY MEDICINE

& National Conference on EMERGING TRENDS, TECHNOLOGIES AND ARTIFICIAL INTELLIGENCE IN VETERINARY MEDICINE: CHALLENGES AND OPPORTUNITIES

16th to 18th February 2026

**MGM Beach Resort, Muttukadu
Chennai - 603112**

Pre-Conference Workshop on CLINICAL AND CRITICAL CARE PROCEDURES IN SMALL ANIMAL PRACTICE

15th February 2026

**Madras Veterinary College
Chennai - 600 007**

**Department of Veterinary Clinical Medicine
Madras Veterinary College, Chennai - 600 007
Tamil Nadu Veterinary and Animal Sciences University**

Dear ISVM Life Members

We have immense pleasure in announcing the hosting of the 42nd Annual Convention of Indian Society of Veterinary Medicine (ISVM) and National Conference on “Emerging trends, technologies and Artificial Intelligence in Veterinary Medicine: Challenges and Opportunities” at MGM Beach Resort, Muttukadu, Chennai - 603112 from 16th February to 18th February 2026 with Pre- Conference Workshop on “Clinical and Critical Care Procedures in Small Animal Practice” on 15th February 2026 at Madras Veterinary College, Chennai- 600 007 organized by the Department of Veterinary Clinical Medicine, Madras Veterinary College, Chennai 600 007 of Tamil Nadu Veterinary and Animal Sciences University, Chennai- 600 051.

The Organizers assures to provide active and lively session with highly informative and enriching experience. At the same time, adequate comfort, relaxation and high-quality food and refreshment will add on to the experience. With quality scientific session, interaction with experts, sea breeze and ambience at the vicinity, delegate will reminisce the conference for the life time. We whole heartedly WELCOME everyone to this conference....

Organizers – ISVM Conference 2026

Conference Details

Theme: “Emerging trends, technologies and Artificial Intelligence in Veterinary Medicine: Challenges and Opportunities”

The Theme of the ISVM Conference 2026 is “Emerging trends, technologies and Artificial Intelligence in Veterinary Medicine: Challenges and Opportunities”. This will provide insights to the academicians, practitioners, post graduate students and researchers into the updates in the diagnostic and imaging technologies, artificial intelligence in the process of collection of data, surveillance, diagnosis, prognosis and treatment of diseases of livestock and pets.

Date : 16th to 18th February 2026
Place : MGM Beach Resort, Muttukadu, Chennai - 603112

PRE-CONFERENCE WORKSHOP DETAILS

Title : Clinical and Critical Care Procedures in Small Animal Practice
Date : 15th February 2026
Place : Madras Veterinary College, Chennai - 600 007

Workshop station is segmented into three and it includes

- ❖ Clinical procedures in small animals
- ❖ Diagnostic imaging in small animals
- ❖ Critical Care Procedures in small animals

SESSIONS

Thematic sessions

- ✳ Advances in the Imaging and disease diagnostic tools
- ✳ Artificial Intelligence in Veterinary Medicine

Scientific sessions

- ✳ Farm Animal Infectious Medicine
- ✳ Farm Animal Non- Infectious Medicine
- ✳ Companion Animal Infectious Medicine
- ✳ Companion Animal Non- Infectious Medicine
- ✳ Canine Cardiology and Nephrology
- ✳ Veterinary Dermatology
- ✳ Wild, Zoo and Equine Animal Medicine
- ✳ Avian Medicine
- ✳ Alternative and Complementary Medicine
- ✳ Field Veterinarian Session
- ✳ ISVM Young Scientist Award Session
- ✳ Plenary Session

Delegates participating in the ISVM conference 2026 have to register themselves by paying the approved Conference fees as indicated in the table. The Conference fees include the Registration fees of Rs. 6000/- and the accommodation & hospitality services. Registration fees include admission of the delegates to the various sessions, conference kit and tea. All delegates are requested to fill the registration form and submit the google forms.

Registration Details

Host Institute and University

The **Tamil Nadu Veterinary and Animal Sciences University** blossomed on 20.09.1989 as the first Veterinary University of the country, through the Tamil Nadu State Government Act 42 of 1989. The seed for the establishment and growth of TANUVAS was sown as early as 1876, when the Madras Veterinary College was started as an Agricultural School in Chennai to offer diploma and certificate course in the field of veterinary and animal sciences. At present, TANUVAS has a total of seven Veterinary Colleges, a College of Food and Dairy Technology, a College of Poultry Production and Management, 10 Research Farms, 15 Research Laboratories and Diagnostic Centers, 20 Veterinary University Training and Research Centers, three Farmers' Training Centers, and four Krishi Vigyan Kendra. NIRF ranking of TANUVAS for the year 2025 is 1st among State Veterinary Universities and 26th among Agricultural and Allied Institutions.

The Madras Veterinary College (MVC), the oldest of the constituent units of TANUVAS, was started as an equine treatment school with five students in a temporary structure at Saidapet, Chennai in 1903. It is one of the oldest veterinary schools in the country. Since inception, the college started growing in stature and is now recognized as a premier veterinary institute in the country and world over. The college is located at

Vepery near Chennai Central in nearly 6 ha. of land. The main administrative block is a heritage building built on the Indo-Saracenic architecture. As a founder unit started in 1903 serving as a core department of this 118 year old Madras Veterinary College, the Veterinary Clinical Medicine Department is an

educational department of international eminence. During the founding years it was christened then as Therapeutics and Materia medica and later developed with modern facilities and christened as the Department of Clinical Medicine and Therapeutics. Currently this Department has been recognized by ICAR as a Centre of Advanced Faculty Training (CAFT) since 2010. The major objectives of this department are to offer UG and PG education, to undertake problem-oriented research and to impart training on advanced diagnostic procedures and imaging towards diseases diagnosis and prevention to the academicians, researchers and practicing veterinarians from institutes of India.

Venue of Conference: MGM Beach Resort

Muttukadu, a coastal town in Tamil Nadu, is the perfect place for a thalassophile. Adorned with lush verdure and splendid beaches, this backwater area by the Bay of Bengal is a crowd-puller for those who wish to relax and revive. Top-notch amenities paired with a view of the garden will surely provide paramount tranquility. As one of the best resorts in Muttukadu in ECR, MGM Beach Resort comes with capacious business venues for conferences. The resort has three banquet halls, meeting rooms and adequate guest rooms to accommodate more than 250 delegates.

Distance and connectivity: The road distance between Chennai and MGM Beach Resorts East Coast Road, Chennai is 30.4 km and can reach the place through bus and taxi. Place has a tropical wet and dry climate. The Köppen-Geiger climate classification is Aw. The average annual temperature is 28.4 °C
